About our different activities:

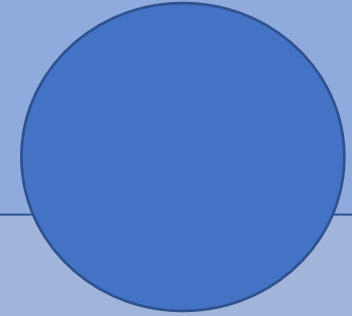

Guided tour in the wild

Follow a guided tour together with others and learn more about the surroundings and explore the forrest and the open fields.

Making fire and learn how to cook in the wild

Join a smaller group to one of the places where it is allowed to make fire and learn what you can cook and how.

Fellowship and games in the wild

Join our fellowship in beautiful fields with funny games or just enjoying the company. Come alone or with the hole family!
